

# **AIMS Attendee Parking**

Please read parking sign. In order to receive the special discounted parking you must pull a ticket from the left AIMS parking lane **ONLY**. If you pull a ticket from the regular hotel lane the ticket will be charged at full price. There will be a sign that says AIMS attendee with an arrow to the correct left lane. If you are staying at the hotel then your overnight parking is complementary with your room.

Thank you,
