# Parallel Session 12    Wednesday, July 4, 16:00PM-18:30PM

| Special Session **29** | **Self-organized Behavior of Nonlinear Elliptic Equations and Pattern Formation of Strongly Interacting Systems** <br> Organizer(s): Susanna Terracini, Jun-cheng Wei | Location **GRC-H** |
|---|---|---|
| 16:00-16:30 | Lei Zhang (University of Florida, USA) <br> Monge-Ampere Equations on Exterior Domains | Abstracts p. 132 |
| 16:30-17:00 | Alessandro Zilio (Politecnico di Milano, Italy) <br> Regularity results for boundary partition problems | Abstracts p. 132 |
| 17:00-17:30 | Susanna S Terracini (University of Milano-Bicocca, Italy) <br> Extremality conditions for optimal partitions | Abstracts p. 131 |
